ACCOUNTING, FINANCE TAX & HR FOR STARTUPS

ABOUT KRUZE CONSULTING

A CPA FIRM SPECIALIZED IN STARTUP ACCOUNTING & TAX

Startups are our niche and our passion. Our clients have secured over \$10 billion dollars in seed and venture funding - \$3 billion in the past 12 months alone. We are one of only a few accounting firms that specialize in funded startups - we only offer financial and tax services to fast-growing startups in the Seed, Series A, Series B, and Series C stages.

A STARTUP TAX EXPERT

Our firm has helped Clients save over \$10 million in cash expenses - per year - from our tax credit work (Up to \$250k per-year per-client). Our startup tax experts know how to help unprofitable startups use tax credits to reduce their burn. Hundreds of funded startups trust Kruze to deliver the right advice, at a reasonable price. Our founder is a Deloitte Tax alumni.

TRUSTED BY TOP VC'S FOR THEIR STARTUPS' TAXES

Top angel investors and VCs refer Kruze because they trust us to give the right tax advice. Our clients are portfolio companies of top technology and Silicon Valley investors, including Y-Combinator, Kleiner, Sequoia, Khsola, Launch, Techstars and more. With us, your taxes are in order when it's time to raise another round of venture financing.

A LEADER IN CLOUD ACCOUNTING SOFTWARE

Our practice is built on best of breed cloud accounting software like QuickBooks, Xero, Netsuite, Gusto, Ramp, Expensify, Avalara, Brex and Bill.com. Technology makes us more efficient, saving our clients money and letting us offer higher value services like FP&A modeling, 409A valuation, and venture debt consulting. Startups deserve to work with CPAs using modern software.

BE READY FOR YOUR STARTUP'S NEXT VENTURE CAPITAL ROUND

We know how to de-risk your startup's next venture capital round. When we do your startup's tax returns, we make sure you are ready to fly through your next VC's tax due diligence checklist. And when you use us as your bookkeeper, we maintain a due diligence folder so you can quickly respond to your next investor's accounting questions.

ACCOUNTING, FINANCE, TAXES, & PAYROLL - ALL FOR STARTUPS

Startup CFO services, startup accounting, and bookkeeping services, startup annual taxes, expense reports, payroll, 409a, venture and venture debt consulting, FP&A, benefits: we've got your startup covered. And because we are leaders in cloud accounting software, we can deliver it all to startups at an affordable cost. Take your startup's finances to the next level with Kruze!
